

## Mascarilla facial FFP2/KN95

CERTIFICACIÓN: CE - FDA (EC, GB2626-2006, EN 149:2001, FFP2)

### Características:

- Mascarilla facial con 4 capas. Tela no tejida antiadherente de PP, algodón termo sellado ES, soplado por fusión electrostática de alta eficiencia. La forma 3D de la máscara está diseñada de acuerdo con la ergonomía del rostro para garantizar la rigidez y aumentar la capacidad de respiración de la máscara, mejorar en gran medida la permeabilidad al aire y hacerla más cómoda de usar y respirar.
- Tamaño adulto (175x95 mm). Eficiencia de filtración bacteriana  $\geq 95\%$ . Embolsado individual. Cajas con 10Uds.
- Este producto cumple con los estándares de la Unión Europea para la salud, la seguridad y la protección del medio ambiente. (aprobación CE/FDA, según la norma: EN 149: 2001 +A1:2009).
- Ofrece una excelente protección contra el polvo, las gotas y los aerosoles a base de agua.
- La máscara FFP2 se puede usar en concentraciones de contaminantes hasta 10 veces los límites de exposición ocupacional (OEL).

CERTIFICACIÓN: CE - FDA (EC, GB2626-2006, EN 149:2001, FFP2)

**CERTIFICATE OF FDA REGISTRATION**  
 This certifies that:  
 [Name] has completed the FDA Establishment Registration and Device Listing with the US Food & Drug Administration, through UCL-REG SERVICE INC.  
 Owner/Operator Number: 1062268

Listing No. : 0274039    Product Code : KVA    Device Name : MASK, SCREVENING

UCL-REG SERVICE INC. will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above, unless said registration is terminated after issuance of this certificate. UCL-REG SERVICE INC. makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder. We advise each user that if it is issued, this certificate does not device endorsement or approval of the certificate holder's device or establishment by the U.S. Food and Drug Administration. UCL-REG SERVICE INC. assumes no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.26, "Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding."

The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. UCL-REG SERVICE INC. is not affiliated with the U.S. Food and Drug Administration.
